COACH'S COMMENTS

With the return of 14 lettermen and loads of experience the 1968 season looked bright, and bright it was with the Beavers rolling to one of their most successful seasons in many years. Starting with a pair of impressive victories the Beavers went into THE ballgame of the year when the Bobcats of Maddock came to Bowdon to play the CNDC opener which was billed by many as the Conference Championship game. The Beavers were not ready mentally and when the final whistle blew the Bobcats had inflicted the only loss of the season upon the Beavers. From this point on the Beavers rolled to seven consecutive victories; finishing the season with a 9-1 record.

When the final conference standings were in, the situation arose that a three way tie for the Eastern Crown had arisen among Maddock, Leeds, and Bowdon. Three Western Division Conference members made the decision that Maddock should represent the East in the playoff game, and so the Beavers again watched the Championship game from the sidelines.

The brightest aspect of the 1968 season would have to be the playing time the younger boys got in as a result of many lopsided scores. The Beaver coaching staff feels this will pay its dividends in 1969.

The biggest and the best is the motto for the sixth grade this year. There are fifteen girls and nine boys and they do have the distinction of being the largest class of the first eight grades.

A few highlights this year were a trip to the Harvey Creamery, all new desks in the room, and new science and social studies texts,

"Beavers" in Action

We started out the season with a veteran squad back from the previous year. Our record was 4-4 before Christmas vacation with the boys playing some real good ball to that point. After the Conference tournament near the middle of January we went into a tailspin and didn't come out of it until February 15, when we went to Esmond and played one of our better games of the season in defeating a big, young Esmond group. We lose a lot of boys from this year's squad with five seniors graduating -- they are: Doug Free, Lyle Strickland, Anton "Bub" Hoff, Lynn Lund, and Don Long. We hope to have a good squad by tournament time next year with Cory Kunz, Brian Carlson, Lowell Bahnmiller, Terry Rexine, and Ken Knodel back to form the nucleus of our squad. We also have a fine sophomore group coming up who have enjoyed two real good seasons the last two years.

The Friendly Store

This half page ad purchased by the Bowdon Locker Plant for $20.00.

Don't you agree that this $20.00 would fit on a small line such as the booster ads and thereby save the staff the extra money which the publisher benefits from selling the extra pages!
